

INSTANT LANDSCAPING TURF GRASS WARRANTY

We do guarantee the turf product is fresh and ready to plant at time of delivery !

Please Note: Sod or Turf grass is a live perishable plant. Customers can encounter quick stress and possible failure with lack of care.

OUR WARRANTY DOES NOT COVER

- 1) Sod that is not layed immediately after pick up or delivery.**
- 2) Topsoil that is not irrigated earth to min one in deep.**
- 3) Sod that is installed on pure compost not topsoil.**
- 4) Sod blades that are allowed to lay down (matt down) after install.**
- 5) Irrigation is not sufficient to hydrate root system.**
- 6) Your best guarantee for long term health is McPheeters fertilizer at least for the first year.**

Watering ~ Water deep each irrigation !
Often short watering times each day does NOT allow the water to go deep to grass roots !

Watering Pallets ~ DO NOT Attempt to cool sod by watering outside of turf pallets. This causes turf to heat up inside!

McPheeters Turf is the finest quality sod in Central Oregon.

Turf does not die in a day.

We can always help if you call !
